BGA ACCREDITATION APPLICATION FORM

Before completing this document, please ensure you have a copy of the current BGA accreditation criteria and check to make sure the programmes, for which you seek accreditation, meet every criterion listed.

Further information to assist you in the completion of the application form is available in the accompanying *Notes on the Completion of Application Form* document. This document clearly explains the data tables and how to complete them, and can be accessed via the BGA membership portal.

Please complete all details requested in the application form in full. Incomplete sections may cause a delay in commencing your review. It is essential that all tables and elements are completed in the standard template provided, unless indicated otherwise. If you have any questions regarding elements of the document, please contact the accreditation representative assisting your institution or email accreditation@businessgraduatesassociation.com.

Application fees

An upfront fee of £3,000 GBP will be invoiced upon completion and submission of the accreditation application form. This is non-refundable.

2

Required documents

The accreditation process requires access to resources containing both general and sensitive data. BGA takes privacy and the handling of information seriously, and handles it in confidence with utmost care.

We will provide information on best practice for sharing sensitive data to ensure security.

It's necessary upon, completion and submission of the application form, that you provide required documentation in full for each section. Failure to do so will delay the validation process.

Next step

Upon submission, this form, alongside all attached documents, will be reviewed internally by BGA. If successful, your institution will be moved to the development stage which includes academic mentorship and development of the Continuous Impact Model (CIM).
