JOINING BUSINESS GRADUATES ASSOCIATION

We're excited that your institution has decided to make a move towards joining an organisation that brings the best out of Business Schools. With educational membership, your School will be able to leverage our consultancy and development services to improve its international standing, join us at award-winning events, and receive access to a wealth of resources aimed at increasing your institution's overall value proposition to students, faculty, and employers.

Educational membership also serves as the gateway to achieving validation and accreditation with BGA. We can't wait to welcome you into a family of passionate business education leaders, who are committed to collaboration around positive impact, responsible management, and lifelong learning.

- The BGA team

Required documents

Before your institution can become a bronze-level member of the BGA, please ensure that you complete this application form fully and attach the following documents:

- Confirmation of degree awarding powers OR a recommendation letter from an AMBA/BGA accredited Business School
- Most recent financial statements

Should any of the documents above be missing, your application will be unsuccessful.

Membership fee

Your institution will be invoiced at the date it is accepted into BGA. Your institution will not be invoiced should it fail in the application process.

The BGA Charter

By applying for BGA membership, my School is expected to believe and uphold the principles of the BGA Charter outlined below. Failure to uphold these standards may result in the withdrawal of BGA membership:

1. Meeting demands of the economy, contributing to economic growth & development and driving social transformation
2. The principles of CSR, Ethics and Sustainability (reflecting the United Nations SDGs)
3. Good governance, institutional sustainability and integrity
4. Generating value by building tangible connections with other academic institutions
5. Continuous improvement
6. Impact, innovation and excellence
7. The involvement, inclusion and respect of all stakeholders
8. The principles of equality and diversity
9. Graduate employability and corporate relations
